The Mohawks won the game of basketball from Co. F. of Northfield on the evening of the 1st by a score of 27 to 16. On Saturday evening the boys will play Giddard at the town hall. Admission, 15c. A good game is assured.

Mr. and Mrs. E. J. Clogston were called to Northfield last Friday evening on account of the serious illness of Mrs. Clogston's aunt, Mrs. Caroline (Graves) Adams, who passed away quietly at 12:45 Saturday afternoon, Jan. 1, after several years of failing health.

Mrs. Adams was the widow of the late Charles P. Adams, and was born in Williamstown July 8, 1832, being the eldest daughter of Walter and Abigail (Richards) Graves and her girlhood and part of her married life were passed in this town. For the past 37 years her home had been in Northfield. Funeral services were held at her late home at 10:30 a. m. on Monday, Jan. 3, Rev. Clinton Scott, pastor of the Universalist church at Northfield, officiating, and interment was in the family lot at Williamstown.

The amount of business transacted at the postoffice during the month of December, 1915, was the largest in the past seven years, and probably in the history of the office. This applies to both the postal business, in which the total sales of stamps and stamped paper were \$545,055, and also to the money order business, the number of orders drawn being 308 and the total value of orders drawn amounting to \$1,742,227. The increase in the postal business is largely due to the added volume of parcel post matter at Christmas time, while the large amount of orders drawn is thought by some to show that larger sums are being sent to the mail order houses each year.

The following report of the public library for the year 1915 is furnished by the librarian, Mrs. W. E. Randall: Number books loaned, 7,864; total number books loaned, 7,348. This is an increase of 400 over the preceding year in books loaned and visitors. The library maintains a branch in Foxville with an average loan of 125 books per month. There is a small teachers' library that is used under the direction of Supt. Charles R. Beeman and small libraries in the district schools. All of these are doing good work. We have added to the books on the shelves by gift and purchase during the year 395 books. The magazine table has been in good demand the past year, there having been many as 15 young people reading at it at the same time, seeming to prefer to read a short story from a magazine to taking out a book. As there is no fund for the purchase of magazines, this department of the library is supported by the voluntary contributions of friends. In the past the various orders and societies in town have largely supported the magazine table, and it is earnestly hoped that they will continue this interest and good will, and it would add to the usefulness of the library in the community.

number of magazines for this year could show a substantial increase over those that we were able to purchase last year. The object is good and let us all work together to attain it.

Death of William Standick Occurred at Mary Fletcher Hospital.

William Standick passed quietly out of this life at 10 o'clock, Dec. 14, at Mary Fletcher hospital in Burlington, after a lingering sickness of about three months' duration. William Standick, a son of James and Elizabeth Bright, Standick, was born in Cornwall, England, on April 28, 1833. He married Elizabeth Treda of Cornwall on Nov. 28, 1855, who died June 8, 1880 in Vershire, Vt. He came to America about 60 years ago, landing in Canada, where he spent eight years. After that he moved to Vershire and worked in Ely mines one year. In 1865 he came to Corinth and opened a general store on what is known as Pike hill. In 1875 Spaulding F. Locke was admitted as partner. Their business relations covered a period of many years. Three children were born to Mr. and Mrs. Standick—a baby who died in infancy, Eliza A. (Mrs. S. F. Locke, deceased), and Nellie, who died Aug. 1, 1898.

Mr. Standick always received the confidence of his townsmen, and was treasurer of the school district where he lived for 12 years. His cheery smile and hearty greeting will be missed by all with whom he came in contact from day to day. On Sept. 27, while visiting in Williamstown he was taken sick and soon after moved to Barre hospital, where an operation was performed. Although eighty-three years of age he had a successful operation and improved so that he came home Nov. 2. Not regaining his usual health he went to Burlington Nov. 15 for observation and treatment at Mary Fletcher hospital. He continued to grow weaker up to the time of his death. The remains were brought to this place on Dec. 16. The funeral was held in the local church Dec. 18 at 12 o'clock, with Rev. H. E. Howard officiating. Burial was in the family lot at Corinth Center.

The community extends much sympathy to those who were near and dear to him. He leaves two grandchildren, Ernest S. Locke and Mrs. Nellie L. Miles, together with other relatives and friends, who mourn his passing.
